## President's Report

Hello and welcome to what could be my last presidents report

What an interesting term I have had as president. I was only in the club for a year when I got talked into accepting a nomination for the gig. Haha, Thanks Trevor. It was a very subdued first year of my joining the club with us in and out of lock downs, however we did manage to get out once or twice and even lead a trip up out of Wandong. It didn't give me a massive insight into the club and it's members but did show me that there were some great people to get to know and definitely a lot more adventures to have. I hope that at the AGM we have many hotly contested committee positions with many of you standing up to work towards making the Werribee 4WD Club an even better club.

It is my personal view that we need to focus on getting out and exploring, I would love to see multiple different trips running each weekend from short day trips to overnights and everything in between. It would be awesome to have members spoilt for choice and have to choose which run they'd like to be part of. I would love to see the club website being used to its potential and becoming a real tool for organizing and running trips and making it easy for new trip leaders to tackle the task. I'm very happy that we have had two really good major social events in the past year and according to you our members they rate up there with the best the club has ever held.

I know a fair few of the committee won't be standing again for their current positions and I'd like to take the chance to say thank you to the entire committee and the elected position holders for their efforts this last year. It has been a challenging year with lockdowns, mandates, vaccination requirements and capacity limits. We have weathered these challenges and come out the other side as a solid club with a lot to look forward to in the years to come.

Please make an effort to get to the AGM tis month as it is vital to the club that we all put in whether it's stepping up to help lead the club, making our votes count during elections and bylaw amendments or being there to hear where we would like to see the club in the next 1,2 or 5 years.

At the meeting Chris our digital officer and guru of all things technology will present a really good break down of the results form the survey that he put out and I think the insights into what the members want from the club are going to be pivotal in our decision making and direction for the year to come. Definitely not something that you want to miss. As always

Take care, drive safe and see you soon

Rowan Burton.

## General Meeting Minutes

7<sup>th</sup> July 2022 – Werribee Masonic Hall

**8pm start**

**Rowan-** welcome everyone, last meeting was held at our sponsor's Dirt 4x4 shop Trev gave a few words about the meeting and how it went.

**Trevor Ryan-** We has Ben from Saber off road and had Robert pepper give a talk about recoveries. There was about 60 people, was a good night, Since then we have had a HEMA night which was a success.

**Rowan-** Anyone read the mintues that were taken by Susan? Magzine not out as yet so not possible yet. Had the mid year function with turn out of about 100people. Have seen a few trips happen but no trip reports

**Phil** spoke about the Mt Skene trip- Didn't get to the top of it by 900metres but everyone had a good day, everyone saw why it was benefical to go as a group and have knowledge of driving in the snow and how driving in the snow on your own can be dangerous

**Leigh O-Grady** spoke about Haunted stream trip=- moral of the story not to believe what social media and 4wdvic report as what was reported and what the actual tracks looked like were complelty different. Leigh drove up on his motorbike and found the tracks to be in better condition than what was reported

**Daryl** – Gvae treasurers report, currently awaiting 44 people to pay membership/rejoin/cancel. Remember to use the bendigo bank when paying fees not the commonwealth old account.

**Mike Byers-** Looking at having next meeting after the AGM at extreme 4x4 . Currently in talks with total tools about them becoming sponsors. Everything else is going well. 4wd vic will be running first aid course soon speak to Joe Grose if you want more info

**Chris** – Discussing the Square device- it is a way to pay for things such as fees, merhc, bunnings bbq snags anything like that. Con is that any purchase over \$100 need a pin number entered, wifi, and it all needs to be connected to someones phone etc. At bunnings bbq people spent so much time trying to manage the device and get it connected to phones etc. Option being discussed is the square terminal. The setup is \$460 which includes the internet access (doggle) and the terminal. There is no need for someone's phone to be linked to the device. The committee has done a lot of research into the best option. Rowan put a motion forward to the club for a Square terminal to be purchased, Everyone agreed, no one againsit it.

**Nicole-** Welcomed new members who have joined

Break for Pizza ( super)

**Marc** – spoke about mid year function, everyone enjoyed themselves, was good to see everyone together after COVID, mentioned the survey that was on the facebook page which talked about what do members want out of the club, trips, functions etc so we can cater to people want.

**Rowan-** Thank you to those who helped with the midyear function, the core few who helped.

**Richard** gave a run down on the starlink

Raffle drawn

**Greg Keighery** gave a talk on using fire extishguers with a demo

# Werribee District 4WD Club

**Aaron-** Upcoming trips – Beachport trip Trev gave info, spots still available, speak to Trev or Lenny for more info

Discussion around Trips and survey showed that people expressed that trips get filled up very quickly with no chance for people to put their names down. Trev spoke about max 10 cars per trip as it is more manageable and safer with ten cars. You can do a trip with 2 groups of 10 cars each but as long as your in different areas doing different tracks etc to make it manageable for all. Nicole mentioned she received an email from a member asking if there was going to be another snow trip/mt skene trip. Trev explained it cant always be the same people planning trips, he is more than happy to help others plan trips, go to his shop and he will go thru the process of planning trips with anyone.

**Rowan-** End of meeting thank you to Richard and Greg for their talks and knowledge. If you need a fire extishugher see one of our many sponsors such as Trev. Next month meeting is the AGM , We will have a small general meetin then AGM, please remind others about the AGM. There is no 4x4 expo stand for the club this year as the committee looked at the numbers of members we got thru the expo stand and it wasn't worth it numbers wise.

## Alan Kendall

In 1985 Alan Kendall wanted to share his love of Four Wheel Driving with other likeminded people in the Werribee area. An advert was placed in the Werribee Banner and the Werribee & District 4WD Club was born. 36 years later we have an amazing club full of life long friendships thanks to Alan.

Alan also spent 47 years in the Werribee CFA, holding virtually every position, was founding member of the Werribee Caravanning Club, Werribee TowBars and many more associations.

The Werribee & District 4WD Club Commemorates Alan Kendall, Annually awarding the Alan Kendall Memorial Trophy to the Club Member who contributes most, and best represents the core values of our club Family, Fun, Friendship.

## **2022 AGM Agenda**

Hello all it is coming to that part of the year again and it's looking like we may actually be able to have our yearly AGM on time this year. As the current committee come towards the end of their term, I would like to say a big thank you to all the 2021/2022 committee they all had a big job from the start bringing the club out of a tough couple of years of Covid restrictions. They all took this challenge head on and did a fantastic job.

This year's AGM will be held after the general meeting on the 4th of August 2022. We will have a little bit to go through at this meeting so it may run a little longer than our normal AGMs. It is important to start thinking about who we would like to run the committee for the following 12 months, so we can vote in another solid committee. We also have a number of club Bylaw updates that will need to be talked about and voted on, please see below a agenda on how this meeting will run.

Acceptance of minutes from previous AGM meeting.

1. 2021/2022 financial report.
  2. Bylaws, we will send out copies of current bylaws and a copy of the new bylaws with proposed changes, note some changes are just spelling correction or changes that did not get updated last time we did this, these items do not need to be voted on, this will be gone through in detail on the night of AGM, all items that need to be talked about and voted on are highlighted in blue on the proposed new bylaws file that will be sent out, its very important that everyone has a quick read of this before AGM and has any question ready for us on the night, alternatively please feel free to contact myself or current secretary Susan Byers anytime if you would like to have a chat about anything.
    - 2.1. Discuss if there are any elected committee positions, we would like to put up to committee positions.
  3. Talk about possibly club fee increase moving forward into 2023.
  4. The possibly vote in of new life members.
  5. Nominations & voting in of 2022/2023 committee.
    - 5.1 Note the Members office role will be up for grabs at this meeting, after spending more than 90% of my 13 years in club on the committee in one way or another it is time for me to take a step aside and hand over to someone else.
  6. General business.
- Meeting closed.

Any questions or comments on anything before AGM please feel free to contact me.

Joel Bristow.

If you would like to apply for a permit to drive the Licola-Jamieson Rd, please login to the website, click resources and under Track Permits you will find all the information about the MOU and the permit to download and send to [projects@fwdvictoria.org.au](mailto:projects@fwdvictoria.org.au). ##### **Seasonal Closures**

Seasonal Road Closures have come into effect and are in force for the period of 16<sup>th</sup> of June 2022 until the 27<sup>th</sup> of October 2022. Please follow these track

closures and plan ahead to make sure you are not caught out. A full list of closures from both Parks Victoria and DELWP can be found on Four Wheel Drive Victoria's website, [www.fwdvictoria.org.au](http://www.fwdvictoria.org.au), under Resources -> Track Closures.

Please note: Four Wheel Drive Victoria has an SOP (Standard Operating Procedure) with both Parks Victoria and DELWP regarding track closures. Before any track closure is signed off, Four Wheel Drive Victoria must be notified and sign off on the closure before it becomes official. All seasonal closures are sent to Four Wheel Drive Victoria prior to being listed and are passed onto club executives for feedback to supply to Parks Vic/DELWP.

### **Camp Host**

Whilst winter is approaching there is still plenty of opportunity for your club to undertake a Camp Host for 2022. Hosted on long weekends throughout the year, they are a great way to help out and volunteer with DELWP and Parks Victoria. Your club becomes a point of knowledge for others visiting the area whilst showcasing your club to all visitors. Four Wheel Drive Victoria is also looking to increase the payment for clubs from \$250 to \$300 to help encourage more clubs to get involved in this great program!

### **Mirimbah Precinct Master Plan - have your say**

Four Wheel Drive Victoria have been informed of a master planning exercise for the Mirimbah Precinct that has commenced, and you can contribute your ideas and thoughts via a short survey in the link below. There will also be opportunities for community involvement as the project evolves including 'drop-in' sessions scheduled for September to share preliminary masterplan ideas and concepts.

It is extremely important to Four Wheel Drive Victoria to be able to actually represent the hard work our amazing volunteers do on a regular basis.

## How to run a Club Trip

It's easy to run your own trip, here are the steps to running a great club trip.

- Contact the Trip Co-Ordinator [tripcoordinator@werribee4wdclub.com.au](mailto:tripcoordinator@werribee4wdclub.com.au)
- The Trip Co-Ordinator will forward on required Trip register etc via email – Print out prior to the trip
- Create an Event on Facebook
  - a. Go to Facebook Member's page
  - b. Click Events,
  - c. Click + in top right-hand side,
  - d. In person – Then add date & times,
  - e. Location could be the meeting place, Add description, This should be amount of spots available, Required recovery gear, Required training level or Easy, Medium, hard. Meeting place and time to meet. (Remember to make your meeting time 20 – 30 minutes earlier than departure time to allow filling out Trip Register and group chat about the trip.
  - f. Invite all members.
  - g. Click Create Event.
  - h. Member's will reply with name and car number e.g.: Trev & Wassana Car #1,
  - i. Next car will indicate Name & Name Car #2 and so on.
  - j. Once the trip is full members will reply Reserve Name & Name Car #1 – the reserve car will then slot in if there is a cancellation.

Its recommended to limit the number of Cars to 10, if it becomes popular you can find another trip leader to run two groups.

### **On the Day**

Items for the pre-trip discussion.

- Introduction of Trip leader, Tail End Charlie, and general introduction of members on the day
- Allocate a member to run the trip report (usually whoever arrives late or first to get a "fine")
- Convoy Procedures.
- It's generally worth putting experienced members between inexperienced members and introduce new members.
- On departure get each car to do a radio check (UHF channel 27), nothing worse than losing someone because they can't hear instructions or direction.

### **After the trip**

- Follow up your trip with a fun post on the Members Facebook page.
- Create a photo album on the Members page for the event and encourage members from the trip to share pictures.
- Submit trip report to the Trip Co-Ordinator.

## What's Coming Up?

### July

#### Simpson Desert trip - 3rd to 16th July

Travel to Birdsville then across the Simpson desert to Mt Dare, over to Oodnadatta, see the painted desert and Cooper Pedy. The desert is very green after all the rain, and it is possible Lake Eyre will be full of water which will be a must see.

Vehicles must be reliable and check over before the trip and fitted with good LT tyres and two spares. The trip across is approx. 650kms taking approx. 5 days 4 nights in the desert thus you will need to be independent, carrying sufficient fuel, water, and food.

This trip is for two weeks and will be a follow-on trip from Cooper Pedy to Ayres Rock, King Canyon and beyond (see separate trip)

For more info or to secure a spot on this trip visit:

<https://www.werribee4wdclub.com.au/event-4728651>

#### Uluru to Kings Canyon and beyond - 14th to 30th July

Travel in Convoy from Melbourne to Coober Pedy (or alternative meet up in Coober Pedy). Traveling north to Uluru, Olgas, King Canyon, Hermannsburg and the picturesque gorges in the McDonnell Ranges. If time permits we may venture along the Old Ghan track and have a look at Chambers Pillar.

Quote from travel brochure "Kings Canyon National Park features terrain similar to Yosemite Valley, and is home to the largest remaining grove of sequoia trees in the world! With its deep valleys, skyscraping trees, and distinctive rock outcroppings, Kings Canyon National Park is the place that John Muir once called "a rival to Yosemite."

This trip is for just over two weeks and is preceded by Simpson Crossing (Separate trip)
