President's Report

Hello and welcome to the last edition of the mag for 2022.

Well it's been a year full of trials and a few triumphs that's for sure. We have had some great events and some memorable trips. Our midyear event was definitely a highlight with some great tucker to be eaten and some killer dance moves were on show.

We have just got back from our Christmas event which was held this year at St Annes winery. We were greeted with a paddock of knee high grass and not much else but a few hands and some well thought out effort soon had the club trailer, a decent fire circle, camp lighting and BBQ's set up in order for Anthony and Michael to cook up a decent feed, share pates were shared ready for a relaxed if somewhat wet evening.

Santa made an appearance and dished out some excellent goodies for the lucky kiddos that attended, and that saw most out until the morning when Sharon and I whipped up a bacon and egg breaky to get the troops going again for the pack up duties.

There were a few hiccups on the run into this Christmas event and it really does bring home what I have been saying for along time. In a club like this you really do only get out of it what you put in. That goes for everything from a raffle (if you don't buy the odd ticket) the raffles will dry up, to trips (if you don't attend or offer to lead one occasionally) they will reduce in number or social functions (if you don't support them or help organize) they may not happen. We all need to put in to help make this club the great little club that it is.

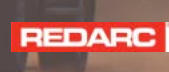

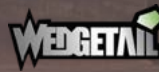

I will see many of you at the BBQ this Thursday at Riverwalk park where we will have our final meeting for the year, we will also be voting on the Allan Kendall trophy winner and awarding that to the person that that is basically our clubs MVP for he last year.

If we don't see you at the December meeting then please take care over the Christmas break, drive safe and come back rested and ready for another year or trips and events with your club, the Werribee 4WD Club.

Rowan Burton.

Beachport, Cup weekend.

Friday – 28th Oct – Trev & Wassana

Attendee's – Trip Leader - Lenny & Carmen, Trev, Wassana & Game, Jamie & Nicole, Dean & Andrea Dannock, Shane Reeve Stephen Knowles, Phil Menzies & Linda, Phil Nass. Jamie Wyatt, Gavin Jewell, Dave Toohey

Members visiting the area, Russell & Troy Hedley, Phil Berto & Mel, Shane Melia

A few of us met at BP Lovely Banks to do the drive to Beachport via Hamilton in convoy. After an incredibly wet and windy drive we all arrived on the Friday. Lenny arrived a little later with everyone kicking in to get them setup.

Saturday morning, we all lined up ready for a great day's driving. At this point the weather was holding out for us, Dave decided to have a cruisy day in camp, so off we went.

Not far up the beach Lenny our leader got a little stuck and easily self-recovered. We discovered a corally rock under the sand most of us avoided this beauty however some of us managed to hit the rock causing three Rims including mine to be damaged. We continued enjoying the many on beach off beach challenges, we eventually came across a big open area with a nice challenging steep dune to play on. It was equally fun watching the various cars try the steep part of the dune, there were lots of cars and drivers who had an illusion of conquering the dune. There was a GQ Patrol with a barra motor who put on a ripper show along with the new model Ford Raptor that smashed the challenge. We watched a new Ford Ranger who almost made it, however done a CV right on the cusp of the dune. We decided at this point to head back to camp for Happy Hour.

Saturday night was very cruisy with lots of catching up and chatting amongst the various camp. Unfortunately we were not allowed a camp fire so there was no central camp fire like other years.

Sunday morning, we lined up a little earlier to make our way to Robe via the beach. It was extremely busy with lots of groups often getting mixed in with ours. The group got separated for a couple of hours and as tail-end Charlie it was my job to keep the group together. Both Gavin and Dave possibly found the right direction via the beach but ended up separated, then Phil, Jamie and my self-ended ended up in another direction losing track of Shane, we travelled dune to dune following a stronger radio signal eventually finding the group. Now to find Gavin and Dave who followed another group slightly in the wrong direction, it was a comedy of errors, but we got everyone together. It started to rain just as we were airing up at Nora Corena before heading to Robe for a yummy lunch.

Werribee District 4WD Club

Sunday Continued, The weather certainly changed for the worse during lunch, Lenny decided to head back via the black top stopping in at Woakwine Cutting which was interesting seeing how the men of old cut this rock out with historical machinery.

We headed back to camp as the weather was looking awful. Back at camp it was a mess with camps destroyed, the wind was strong and rain getting stronger. The group were booked in for dinner at the Beachport Pub. The rain and wind was incredible, Jamie and I headed back to check camp as it sounded like a cyclone passing through. Dinner came out and by all reports was very nice. After dinner we headed back to camp with not a lot of socialising being done due to the weather. A few of the group decided to pack up and go home.

The night was full of drama as the wind over night was crazy, perhaps the strongest I've camped in.

Monday Morning, Our plan was always to head back on the Monday, I think most of the group followed Homewood bound as well.

Overall, it was a great weekend of great driving, friendship, and fun. A huge thanks to Lenny & Carmen and all who contributed to a great weekend.

Alan Kendall

In 1985 Alan Kendall wanted to share his love of Four Wheel Driving with other likeminded people in the Werribee area. An advert was placed in the Werribee Banner and the Werribee & District 4WD Club was born. 37 years later we have an amazing club full of life long friendships thanks to Alan.

Alan also spent 47 years in the Werribee CFA, holding virtually every position, was founding member of the Werribee Caravanning Club, Werribee TowBars and many more associations.

The Werribee & District 4WD Club Commemorates Alan Kendall, Annually awarding the Alan Kendall Memorial Trophy to the Club Member who contributes most, and best represents the core values of our club Family, Fun, Friendship.

Sunday Grampians escape - 12 June 2016

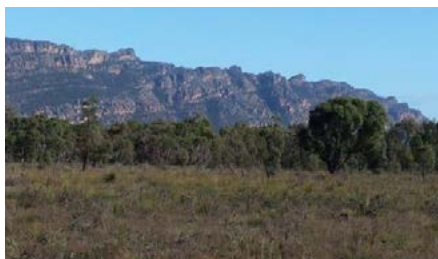

The day started quite chilly with Ian up early stoking the fire making sure the group had a comfortable start, for me it was coffee in bed with the help of the Origo heat pal. A little later we were having coffee around our warm fire we noticed a small Corolla with a roof top tent, as we counted more and more people emerging from both the tent and car we could see they were cold. We invited the four girls

over to share the fire we soon discovered the girls had forgotten their food and utensils we rustled up cups and made what started as warm drinks soon turned in breaky.

It was not long before Sue and Mike were getting us all ready for a quick brief on our day to come.

Leading the pack we had Mike & Sue - GU, Lenny & Carmen - 200 Series, Steve Byrne -75 Series, Peter & Donna – 76 Series, Ian & Marion – 79 Series, Trev – 150 Series Prado with Jason & Michelle as tail end in the GU it was Toyota day lol

After turning left off Mt Victory Road, we cruised along until we stopped at a beautiful viewing point of Victoria Range everyone was out taking pictures and loading their travel Buddy's in preparations for a nice hot lunch. (CALL ME FOR TRAVEL BUDDYS ☺)

We then moved off and made our way around the back of the range following The Victoria Range track, it was fabulous, rocky with amazing views. We had a stop where we jumped out for a rocky look out over the valley, been a long time since driving these tracks it was simply awesome. Once at the end we landed on a clearing for a nice lunch stop with the awesome aromas from travel buddy's. We were all chatting, looking round each other's cars and sucking in the views of the rocky outcrop behind us.

After lunch and very short drive, we reached an amazing lookout where we played car Tetris, squeezed all the cars in, and took lots of pics.

Once we stopped off at this awesome campsite (Buandik Camping Ground) for a short toilet break. We headed off back along some amazing rocky outcrops heading back towards the start of the Victoria range.

We headed down Red Rock Road, R/H into Mathews track back along the bottom of Vic range, then left into Lyphon track; we made our way through a maze of rocks, an R/H turn and quickly a stop. Someone said here are cars parked in the middle of the track. Upon further investigation, we found a GQ very stuck with a stuck Defender trying to snatch them out. We jumped in and gave a hand, Mike's GU in place with Lenny right behind a winch, snatch block and out he came.

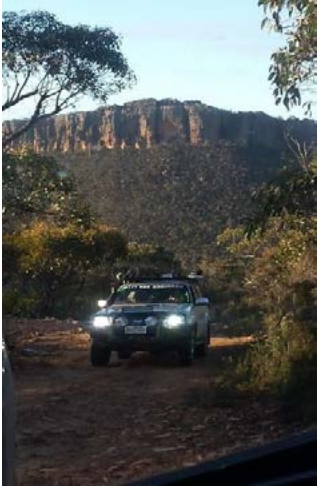

We got ourselves on Rozea track, for me, a highlight of the day, as this is one beautiful track with challenge, rocks and amazing views. We eventually made our way back to Hall's gaps and people went their own ways for fuel, shopping etc.

I would like to congratulate Michael and Susan on running their first trip; it was well organised and run. I enjoyed the banter and dynamic of the whole group. Thanks everyone for a great weekend. Trev ☺
