President's Report

Welcome back to another exciting year with our club.

How was your Christmas break?

Did you get out on the tracks? Did you load up the van or vehicle and get away from every other bugger for a couple of days or a coupler of weeks?

Did you buy yourself something for your set up as a Christmas present?

Our family was all geared up for some little adventures in the van and hopefully some fishing but alas the joys of a nasty summer flu put an end to those plans...

This year I will be launching a leader board and points system to reward participation in the club, we will be focusing on getting interesting and varied speakers to our monthly meetings and driving involvement in the club, club events and trips.

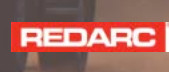

I will be stepping down as president at the AGM this year so I am focused on ensuring we have some great stuff in place for the next committee and to really help drive the Werribee club into the next phase of the post covid rebuild. I hope to see a lot of you at the February meeting this week and I'm sure it will be a great opportunity to meet some of our new members, reconnect with some mates and learn about the clubs next 6 months are going to look like.

Rowan Burton.

What's Coming Up?

February

February Meeting - 2 Feb - 1st meeting for 2023

Join us for the first meeting of the year.

Be there from 7 to kick off at 7:30

We are working on having a guest speaker on the night

We will also have door prizes, a raffle and supper.

Get together with the club in person and catch up on what everyone got up to over the break.

Adventures in Bright- 17 Feb 2023

Hosted by Chris Butterworth.

My friend showed me a picture of a platter from Bright Brewery and I've been obsessed ever since.

I'm keen to organise a trip to Bright staying at one of the caravan parks.

We'll chill out, check out some of the tracks and most importantly, get a platter at Bright Brewery.

Let me know if you're interested and I'll organise a group booking at a caravan park and the brewery.

Victorian 4wd Show - 19 Feb - 9am to 4pm

Lardner Park, 155 Burnt Store Road, Lardner, VIC 3821

As Australia's longest-running 4WD show the Expo has been a must-attend event for all 4WD enthusiasts. It provides you with the opportunity to explore the exhibit of products such as 4WD accessories, vehicle modifications, camping gear, off-road camper trailers, fishing equipment, and much more. It has a test track showing the capability of various 4WD's in a realistic setting. Practical demonstrations of vehicle driving scenarios, 4WD and camping equipment are included in the show – what works and why.

This is a must-see event, put the date in your calendar now – Sunday the 19th February 2023 and we look forward to seeing all Exhibitors and Patrons at this important event in the state 4WD calendar.

Mount Disappointment Overnight Trip

Panel damage, wheel lifts, bog holes that'll swallow your car whole, and hills that'll leave you with shaking.

Some trips appeal to everyone. This was not one of those trips.

We were itching to get out on the tracks. We'd planned a nice medium difficulty trip with an overnight stay in Mount Disappointment.

Two of us decided to head out a night early. Andersons Garden campground was a peaceful resting point, with a few small groups scattered around and peace and quiet in abundance. Swags, campfire cooking and cold beers were the main order of business.

Meeting in Wandong the next morning, our group of five became three with a few last-minute absences. This proved pivotal, as we ended up with myself in the LN106 Hilux, Marc in the most adventurous Prado you've ever seen, and Ryan in what is likely the most capable vehicle in the club - a twin locked 80 series with reduction gears and all the trimmings.

We made our way along some medium grade tracks, with steep inclines and a few rutted sections. Good for a casual day out.

- Dry Creek Road
- Dry Creek Fire Break
- An unnamed road leading off from Dry Creek Fire Break

Then the real challenge began.

If you're not familiar with Mount Disappointment, The Bump is one of those tracks that defines the area.

It starts out with a *deep* bog hole. At wetter times of year you might expect to be full submerged. This time mud only splashed up through the window.

This is followed by a succession of long bog holes that are unexpectedly deep and soft. Taking a run up won't help you as Ryan found out. The track meanders it's way up the hill, with a number of obstacles including narrow sections with steep drop offs and fallen trees. These serve as a warning to the unwary for what is about to come.

The highlight of the track is a long, off camber section with loose rocks and a bank that's just waiting to remodel your panels. Here lockers will only help you so far. Each of us got caught halfway up the track, either diffed out, or just not able to get traction. After some track building, we each managed to clear this section with relative ease.

Soon after, we faced a 1 meter high, crossed over rock step on a steep section of the track. The 80 series and the Prado cleared this with some careful wheel placement and good spotting. The Hilux however, having got stuck earlier, decided to charge up the track at full speed, hitting the rock step with little thought and stopping only to appreciate the view of the sky above.

Werribee District 4WD Club

After a quick winch we made our way to the next major obstacle of the day, taking the scenic route down Nylander Spur Track. This is comparatively easy going in the dry and a nice way to lul you into a false sense of security. Arriving at our destination, it rose before us. You may know Triton hill by reputation, or you may have seen videos. Whatever you have in mind, take that and double it... then double it again.

It was at this point I realised I'd left my cojones at home and left the serious work to Ryan and Marc.

Werribee District 4WD Club

Going from steep to steeper, the crux of the challenge is another crossed over rock step. The 80 series got to the rock step and spent a good 5 seconds trying to find it's footing but comfortably made it to the top. Next up the Prado took a little longer to get there, but with some excellent spotting from Ryan and a few beads of sweat from Marc, it got to the top safe.

Now that I'd chickened out, the rest of the group had to come back down. Usually you'd expect this to be the easy part, but Ryan took the bonus line, making it perhaps the most terrifying decent I've ever watched. A sentiment shared by his passenger.

This would have been the last major obstacle of the day had we not found another bonus line halfway up Quarry Road. Ryan once again took the hardest route possible, with Marc unwittingly following behind. We thought this a bold move at the time and were proven correct when the Prado found itself millimetres away from rolling on its side.

After getting ourselves together, it seemed like a good time to make our way to the Flowerdale Hotel where we found time to reflect over a pint and a Parma.

For the second night we found a spot to camp and sat around the fire making plans, our group of three cars now back to two.

As the sun rose and the smell of bacon filled the air, we packed up our little camp. Heading to Tallarook we got to enjoy some spectacular views.

Getting into the forest we found some of the steepest terrain I've encountered, interspersed with the occasional bog hole or technical rocky section. For the most part the tracks were medium difficulty and easy day for capable 4WDs.

Werribee District 4WD Club

- Stoney Creek Track
- Jenkin No2 Track
- Tehans No5 Track
- Tehans No4 Track
- Rocky Track
- Cable Track

We planned to attempt Red Hill Track but found it closed, along with a number of others. Much of the forest appears to have sections of fallen trees and we were ill equipped to clear them.

As we ended the day we fell for the old “one last track”. Here again we made it halfway down only to find a huge tree lying across the track and the route around unrealistic for the time of day and the amount of winching that would inevitably have followed.

We made our way out, aired up and reflected on what had been a great trip out.

The whole area is worth exploring more and two days isn't enough to do it all. We'll definitely be out again, and next time hopefully I'll have the lockers (and the cajones) to make it up Triton Hill.

Alan Kendall

In 1985 Alan Kendall wanted to share his love of Four Wheel Driving with other likeminded people in the Werribee area. An advert was placed in the Werribee Banner and the Werribee & District 4WD Club was born. 37 years later we have an amazing club full of life long friendships thanks to Alan.

Alan also spent 47 years in the Werribee CFA, holding virtually every position, was founding member of the Werribee Caravanning Club, Werribee TowBars and many more associations.

The Werribee & District 4WD Club Commemorates Alan Kendall, Annually awarding the Alan Kendall Memorial Trophy to the Club Member who contributes most, and best represents the core values of our club Family, Fun, Friendship.

Vale Alan Kendall.

2022 Alan Kendall Trophy

Please join me in saying a massive Congratulations to our
2022 Allan Kendall award winner!!

Nicole Goulemas!

Nicole is a well deserving winner who is consistently
friendly and proactive.

She is the best visitor liaison that I have come across,
she is enthusiastic about her new role of Merchandise
Officer and still has the energy to work with Anthony to
run trips and be a very active member of the committee!

Well done Nicole! Great effort!

Australia Day Trip

By Brad Carlyon

Trip Leader – Brad Carlyon (Prado)

Attended – Chris Butterworth (Hilux), Gavin Jewell (Triton), Phill Nass (Jimny)

The day started with a meet up across from Greendale pub. After some quick introductions we headed off about 10am heading up O’Briens Rd. We aired down when we got to Amblers

Lane Track. We proceeded along Amblers Lane which was pretty easy going start to the day. When we got to Billet Track where we were met with a steep rocky climb as an introduction. All the vehicles made it up without issue. Track looked like it wasn’t driven much recently and there were only a few spots along the way we had to check out the track before continued.

We stopped for a bite to eat at the end of Billet track and out came the Sausages and Lamingtons for Australia Day. As we had a small group were making very good time, so we decided that the plan was down XL Track and back to O’Briens Rd.

Werribee District 4WD Club

On XL we were met with a few challenges and some unexpected mud. We took plenty of precautions to avoid it as much as possible, but it was unavoidable.

Everyone got just a bit muddy and of course Chris' trusty Hilux had to give at least 1 decent bog hole a go, not to a lot of success, and ended up being the only recovery for the day.

After the fun of XL Track, we headed down to Blue Gum-O'Brien Link track and made our way over to trusty old Ratcliffe. River Crossing and the steep incline was made to look easy by the Jimny and comments were made that the track feels like its getting harder to do each time.

At the end of Ratcliffe we aired up and said our goodbyes. The weather held up for the day which made for a great day of 4WDing and looking forward to another fun day out on the tracks with everyone who attended.

eNews Direct To Members

This ENews is a new format that Four Wheel Drive Victoria will be sending on a monthly basis or as needed, directly to your Inbox. As a member of Four Wheel Drive Victoria you will have the option to OPT OUT if you do not want this communication from us. If you do not opt out you will continue to receive these emails. The latest news from Four Wheel Drive Victoria

January 2023

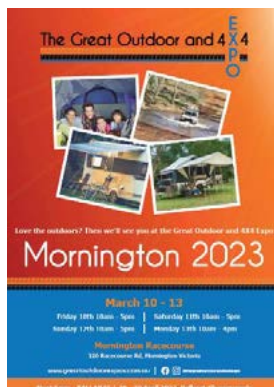

We Are Back for 2023!

The Four Wheel Drive Victoria office is back open for 2023! We hope everyone had an enjoyable and relaxing holiday period and that there was plenty of trips taken into the Victorian bush that we all love.

We are gearing up again for another big year for Four Wheel Drive Victoria with plenty of events planned for early 2023. The calendar of these events can be viewed by clicking [HERE](#), there is a volunteer need for many of these activities so if these are of interest to you please send through an email to projects@fwdvictoria.org.au and we can provide more information.

Victorian 4WD Show

The Victorian 4WD Show is officially back for 2023! It will be held on Sunday, 19th February 2023 at Lardner Park. It is the longest running 4WD show in Australia and makes for a great day for all who attend. Bookings for clubs and exhibitors will be open shortly, please contact Chris Camier, Victorian 4WD Show Organiser, vic4wdshow@gmail.com

Mornington Great Outdoors Show

The Mornington Great Outdoors Expo is nearly here! The event is to be held at the Mornington Showgrounds over the 10th to 13th of March 2023 and with plenty of big name stall holders it will make for a terrific event. Be sure to get down to check it all out!

DELWP Name Change

After the recent election last November the Department of Environment Land Water and Planning has undergone a name change and is now known as the Department of Environment, Energy and Climate Action, DEECA. As you are out on club trips will you start to see this new name pop up in places in place of the old DELWP name.

Do You Log Your Volunteer Work? Track Clearing and Flood Assistance

Our volunteers do a fantastic job helping the community with Four Wheel Drive Victoria projects such as Camp Host, Track Clearing and High-Country Hut maintenance.

With many seasonal closure gates opening on the 27th of October there are many clubs getting out there to assist land managers in track clearing. There is also a big opportunity for clubs to assist in flood clean ups. Please make sure to submit these volunteer hours to projects@fwdvictoria.org.au and thank you to all our clubs that complete countless volunteer hours.

If your club has done any volunteer work including track clearing or flood assistance please fill in the volunteer hours form.

It is extremely important to Four Wheel Drive Victoria to be able to actually represent the hard work our amazing volunteers do on a regular basis

DEECA Volunteer Surveys

Part of Four Wheel Drive Victoria's KPI's with our Land Managers consist of assisting with volunteer surveying. There are numerous sites across Victoria that have been selected with high visitation rates expected. DEECA staff will be on site throughout the process to assist with the surveys. Club executives please check your emails for more information regarding these surveys and please let the Four Wheel Drive Victoria office know if anyone in your club is available across what date and site. These surveys make up part of Four Wheel Drive Victoria's KPI's so it is very important to get as many done as possible.

Flood Affected Parks and Forests

There are still many parks and forests that are affected by the flood events of late 2022. Please exercise caution around flood waters and take the safe approach.

To keep up to date with current conditions and park/track closures please check the following resources. To check which tracks have extended closure periods please visit the Parks Victoria website via this link for Parks Victoria managed regions: <https://www.parks.vic.gov.au/.../flood-and-storm-affected-parks> To check which tracks have extended closure periods please visit the DELWP website via this link for DELWP managed regions: <https://www.ffm.vic.gov.au/.../closures-of-parks-and-forests>

Labour Day Camp Host Opportunities

The new year is not far away which brings with it the next opportunity for a camp host. The Labour Day weekend provides an excellent opportunity for your club to host a camp host! Acting as a point of contact in a campground for Parks Victoria and DELWP, as well as a helpful guide for those new to the area, a camp host allows your club the great opportunity to showcase its community values in assisting others and evens works a great promotional tool for your club in attracting new members.

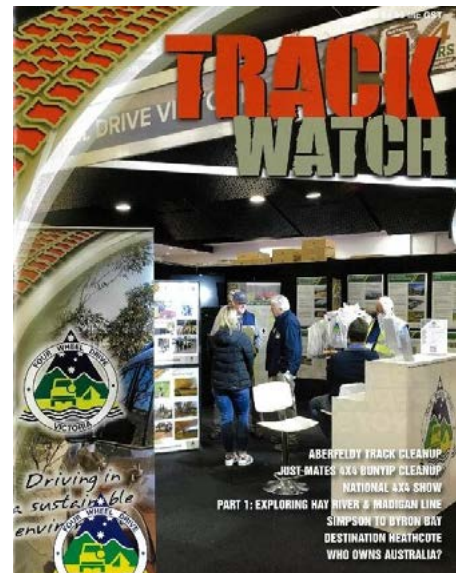

If your club has an area in mind that they would like to hold a camp host please let the Four Wheel Drive Victoria office know projects@fwdvictoria.org.au, alternatively a camp site can also be recommended to your club.

Trackwatch Articles Needed

We need interesting articles and high-resolution photos about your club for Trackwatch magazine. Trackwatch is distributed far beyond our clubs and is seen by many organizations as well as Government agencies and politicians, so it is a terrific way to show your club to the world.

Please email your articles and photos to projects@fwdvictoria.org.au

If you don't want to receive a hard copy of Trackwatch and would rather read it electronically, send an email to the Four Wheel Drive Victoria office, office@fwdvictoria.org.au. The latest 4 issues of Trackwatch are always available to read on the Four Wheel Drive Victoria website. www.fwdvictoria.org.au

How to run a Club Trip

It's easy to run your own trip, here are the steps to running a great club trip.

- Contact the Trip Co-Ordinator tripcoordinator@werribee4wdclub.com.au
- The Trip Co-Ordinator will forward on required Trip register etc via email – Print out prior to the trip
- Create an Event on Facebook
 - a. Go to Facebook Member's page
 - b. Click Events,
 - c. Click + in top right-hand side,
 - d. In person – Then add date & times,
 - e. Location could be the meeting place, Add description, This should be amount of spots available, Required recovery gear, Required training level or Easy, Medium, hard. Meeting place and time to meet. (Remember to make your meeting time 20 – 30 minutes earlier than departure time to allow filling out Trip Register and group chat about the trip.
 - f. Invite all members.
 - g. Click Create Event.
 - h. Member's will reply with name and car number e.g.: Trev & Wassana Car #1,
 - i. Next car will indicate Name & Name Car #2 and so on.
 - j. Once the trip is full members will reply Reserve Name & Name Car #1 – the reserve car will then slot in if there is a cancellation.

Its recommended to limit the number of Cars to 10, if it becomes popular you can find another trip leader to run two groups.

On the Day

Items for the pre-trip discussion.

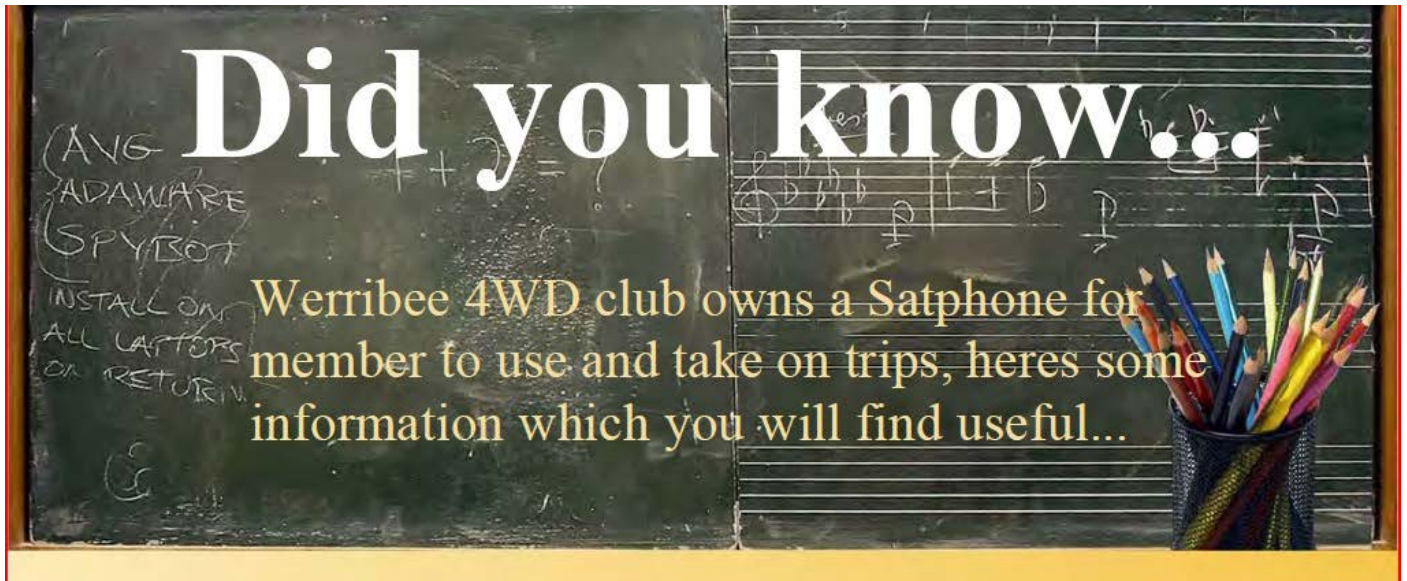

- Introduction of Trip leader, Tail End Charlie, and general introduction of members on the day
- Allocate a member to run the trip report (usually whoever arrives late or first to get a "fine")
- Convoy Procedures.
- It's generally worth putting experienced members between inexperienced members and introduce new members.
- On departure get each car to do a radio check (UHF channel 27), nothing worse than losing someone because they can't hear instructions or direction.

After the trip

- Follow up your trip with a fun post on the Members Facebook page.
- Create a photo album on the Members page for the event and encourage members from the trip to share pictures.
- Submit trip report to the Trip Co-Ordinator.
