President's Report

Hi and welcome to the June edition of the mag.
For those of you at the May meeting you would have been party to the group decision to change the format of the mid year event to a winter camp out. This was a decision made by an almost unanimous vote as the room felt there would be more participation in an event like that.
We really hope that a good number of the club members join in on this event as it is a bit of a change from the previous years event and it is all in the name of trying to give the club what they want.
We are getting closer to the August AGM and a changing of the guard, please give it serious consideration if you think you could add to the club and help make positive change.
I will be away during the start of June and so the next meeting will be run by our vice president and I think we may have another guest speaker, so get on down to the hall and be part of it.
Short and sweet this month as I am about to jump on a plane.
Until next time, drive safe and keep exploring.

Rowan Burton.

Treasurer Report

I wish to inform all club members that Nicole & I will be cancelling our membership & resigning from all Club and committee obligations effective from June 10th, 2023.

I won't go into detail about why we have chosen to take this step here, but please understand that this has been a very difficult decision for us to make.

I ask that nobody – especially nobody from the committee, take it upon themselves to speak on our behalf, or offer any concocted excuses or explanations. If any members wish to reach out to us, we are more than willing to discuss things in private. I can assure you; it is not life, work, or any other excuse that has led us to where we are now. Anybody who may suggest this to you has not spoken to us before making such a bold assumption.

Additionally, Nicole also wishes to express the following: I have loved being a part of this Club. I was so proud to be a part of it, even more so after winning the Alan Kendall trophy. I am still so honored to have won the award, and it is something I will look back on to remember the happier moments during my time with the Club. I never intended to be the type to earn such a significant award and then leave straight after, but I feel I must do this, and it has not been an easy decision for us to have made. I thank everyone who welcomed us to the club when we joined, and for the friendships we have made and will keep, long after we move on from the Club.

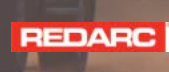

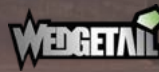

We will not be attending any of the remaining meetings this financial year and as such there will be no merchandise stand, tuck-shop, visitor liaison or welcome packs to be handed out. Any outstanding merchandise orders will be fulfilled if stock arrived before June 10th - Any fulfillment of Merchandise ordered for upcoming pre-sales will need to be fulfilled or refunded by the remain or incoming committee.

We wish you all well, and in parting, we issue a heartfelt apology to any members and the Club in general who may be adversely affected by this decision.

Anthony & Nicole Goulemas.

Alan Kendall

In 1985 Alan Kendall wanted to share his love of Four Wheel Driving with other likeminded people in the Werribee area. An advert was placed in the Werribee Banner and the Werribee & District 4WD Club was born. 37 years later we have an amazing club full of life long friendships thanks to Alan.

Alan also spent 47 years in the Werribee CFA, holding virtually every position, was founding member of the Werribee Caravanning Club, Werribee TowBars and many more associations.

The Werribee & District 4WD Club Commemorates Alan Kendall, Annually awarding the Alan Kendall Memorial Trophy to the Club Member who contributes most, and best represents the core values of our club Family, Fun, Friendship.

Vale Alan Kendall.

How to run a Club Trip

It's easy to run your own trip, here are the steps to running a great club trip.

- Contact the Trip Co-Ordinator tripcoordinator@werribee4wdclub.com.au
- The Trip Co-Ordinator will forward on required Trip register etc via email – Print out prior to the trip
- Create an Event on Facebook
 - a. Go to Facebook Member's page
 - b. Click Events,
 - c. Click + in top right-hand side,
 - d. In person – Then add date & times,
 - e. Location could be the meeting place, Add description, This should be amount of spots available, Required recovery gear, Required training level or Easy, Medium, hard. Meeting place and time to meet. (Remember to make your meeting time 20 – 30 minutes earlier than departure time to allow filling out Trip Register and group chat about the trip.
 - f. Invite all members.
 - g. Click Create Event.
 - h. Member's will reply with name and car number e.g.: Trev & Wassana Car #1,
 - i. Next car will indicate Name & Name Car #2 and so on.
 - j. Once the trip is full members will reply Reserve Name & Name Car #1 – the reserve car will then slot in if there is a cancellation.

Its recommended to limit the number of Cars to 10, if it becomes popular you can find another trip leader to run two groups.

On the Day

Items for the pre-trip discussion.

- Introduction of Trip leader, Tail End Charlie, and general introduction of members on the day
- Allocate a member to run the trip report (usually whoever arrives late or first to get a "fine")
- Convoy Procedures.
- It's generally worth putting experienced members between inexperienced members and introduce new members.
- On departure get each car to do a radio check (UHF channel 27), nothing worse than losing someone because they can't hear instructions or direction.

After the trip

- Follow up your trip with a fun post on the Members Facebook page.
- Create a photo album on the Members page for the event and encourage members from the trip to share pictures.
- Submit trip report to the Trip Co-Ordinator.

2023 Seasonal Closures

The DEECA and Parks Victoria seasonal closure list for 2023 is out now! Seasonal Closures will come into place on 15/6/23 and run until the 2/11/23 for most tracks. Some tracks will have an extended closure period. Please have a good look over this list when preparing and planning for a trip and find alternate routes if you intend to drive any of these tracks. Seasonal Closures are implemented to help protect the environment where extra help is required to look after the tracks in the wetter months.

Mildura Great Outdoors Show

The Mildura Great Outdoors Expo is the next show up! The event is to be held at the Mildura Racecourse over the 30th of June to 2nd of July 2023 and with plenty of big name stall holders it will make for a terrific event. Be sure to get down to check it all out!

Trackwatch Articles Needed

We need interesting articles and high-resolution photos about your club for Trackwatch magazine. Trackwatch is distributed far beyond our clubs and is seen by many organizations as well as Government agencies and politicians, so it is a terrific way to show your club to the world. Please email your articles and photos to projects@fwdvictoria.org.au

If you don't want to receive a hard copy of Trackwatch and would rather read it electronically, send an email to the Four Wheel Drive Victoria office, office@fwdvictoria.org.au. The latest 4 issues of Trackwatch are always available to read on the Four Wheel Drive Victoria website. www.fwdvictoria.org.au

King's Birthday Camp Host Opportunities

We are already almost at the half way point of the year which means the King's Birthday public holiday is nearly here. The long weekend provides an excellent opportunity for your club to conduct a camp host! Acting as a point of contact in a campground for Parks Victoria and DEECA, as well as a helpful guide for those new to the area, a camp host allows your club the great opportunity to showcase its community values in assisting others and also works as a great promotional tool for your club in attracting new members.

If your club has an area in mind that they would like to hold a camp host please let the Four Wheel Drive Victoria office know projects@fwdvictoria.org.au, alternatively a camp site can also be recommended to your club.

Come and Try Day Recap

On the 6th of May, the Ballarat & Districts 4WD Club played host to the Four Wheel Drive Victoria Come and Try Day at their training track in Smythesdale. The rain stayed away and there was a strong turnout with 52 participants across 35 cars. You can read all about the day in the June edition of Trackwatch. Keep an eye on your mailboxes in early June or check it out on the Four Wheel Drive Victoria website.

www.fwdvictoria.org.au

National Show Club Stands

The National 4x4 Show is on again at the Melbourne Showgrounds over the 18th to the 20th of August 2023. Four Wheel Drive Victoria would like to invite clubs to take up a stand at the show free of charge. It is a tremendous opportunity that we hope to see many clubs take up. With records crowds through the show last year it will present a large base of potential members to promote your club to.

If your club is interested in this massive opportunity, free of charge, please email projects@fwdvictoria.org.au. We will get additional passes allocated for your club.

Mt Skene Permit System 2023

The Mt Skene permit system is now fully online. From June 1st the system will be open to members. You will be required to login the Four Wheel Drive Victoria website. If you have any difficulty logging in, please contact the Four Wheel Drive Victoria office. The Mt Skene permit will be located under Member Resources on the left hand side after logging in. The same rules and limits still apply (2 permits max per club per day, each day must be a separate permit, maximum of 80 cars on the mountain per day). Permits will be emailed through the website and must still be printed out and carried with the trip leader. A detailed email will be sent to club executives with further instructions soon.

Clean up the Bush

Four Wheel Drive Victoria are in talks with both DEECA and Parks Victoria to locate an area to run another Clean up the Bush event in the near future. With great success at previous events it is one to look forward to. Keep your eyes up for updates on this shortly.

President's Day

On the 3rd of June there will be a President's and Delegate's meeting at the Manningham Hotel. Presidents and Delegates from all clubs are welcome to attend. Please RSVP to ceo@fwdvictoria.org.au if you plan on coming. There will also be a zoom link for those who cannot attend physically on the day.

National Volunteer Week

It is currently National Volunteer week. Four Wheel Drive Victoria would like to say thank you to all those volunteers who put in a lot of hard work and long hours to get work done, it is a tremendous job. Thank you to all those who also send in volunteer hours to the Four Wheel Drive Victoria office.
