President's Report

Hi and welcome to another edition of the mag.

Well, we are back and in full swing, we have had a bunch of new members sign up and we have passed the 100 members!

Chris Butterworth is leading the pack by posting up a huge amount of trip options for our members and a huge kudos must go to him for as we all know 4WD trips are our life blood and the main reason that people join a 4WD club like ours. We all saw from the presentation that Trevor Ryan and Chris Butterworth did last meeting just how easy it is to run a trip and there are certainly enough people showing some interest that we should have some new trip leaders putting up some trips very soon.

Our meetings are set to gain another dimension with more and more guest speakers coming on board and this months meeting should definitely be one to remember with the Werribee Rifle Club coming in to tell us a bit about what they do.

I know that we have a few more interesting topics and speakers in the coming months so definitely try to get down to the hall for the meetings. If you do you stand the chance of winning some awesome prizes and most importantly you be able to banter with other club members while enjoying a light supper. A massive thank you has to go out to Leigh & Mick O'Grady for their stella efforts on supper for the February meeting and they are backing it up again for our March meeting! Please make the effort to say thanks or flick them a message if you have that personal connection to help reinforce just how appreciated that sort of effort is in the club.

We are definitely looking at venues and ideas for the mid year function and we are pretty settled on the Hoppers Club for a dinner style event with a DJ or band. We will be putting a sub committee together to get this thing organized and done. We all need to dig in and help with these events and with 100 memberships in the club I would hope to see a good turn out both at the event and helping to make it happen.

Going forward if we can all get behind the initiatives, events and trips that are happening and being planned then we will all reap the benefits of a fun, interesting and strong club.

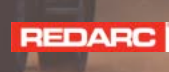

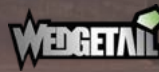

Take care and see you soon.

Rowan Burton.

Trip Leader – Trev

Attended – Anthony, Brad, Brendan, Phil, Col

The meetup at Macca's where we were given a brief by Trev and of course an intro about Team Leader's, organising trips, the package etc.

We headed out via Manor Lakes through Bacchus Marsh to Russells Road to meet up with Phil and the Legendary Jimny. Still trying to work out how such a tall man fits into that Jimny!

Air down time and head out into the 4WD Training area where a course was underway. We pulled up to one side and worked out what the day would hold for us. The more experienced drivers took into consideration the newbies and the fact that I'm a stock standard ride height.

So we headed out to one track uphill which was a short sharp rise onto a platform which required a bit of a two point turn to go up the next rise.

The turning circle on the Dmax is not as good as others, so I went a little more to the left. Unfortunately I dropped into a bit of a hole and meh was stuck! First attempt to reverse failed, swung the wheels and came free. This pulled the front cover on the left hand sidestep off, I had to retrieve it as a memento, and off we went.

I'm told I had some good wheel lift going!

So, about another 10 mins was spent driving around, which I used to familiarize myself a little more with the Dmax. We pulled up and decided to head out on the tracks and explore, getting out onto the track I was temporarily held up again!

Lesson number 1: I need a lift! (Oh, and I think I heard the word 'fine' for about the second time!)

Trev and Brad were giving out tit bits of info along the way to help, with Trev occasionally checking in to see how we were going. After one of the check in's Trev asked if I would like to do the report! It was only later on whilst reading earlier reports as a guide, I came across this little nugget of information. Sly play Trev!!!!

"Allocate a member to run the trip report (usually whoever arrives late or first to get a "fine")"

Werribee District 4WD Club

So we meandered through Lerderderg and out into Wombat State Forest covering Ambers Lane, Blue Gum track and a few others that I don't recall. Stopping for lunch at nice sized spot on the XL track just to relax and get some relief from the concentration. It was at this point I learnt Lesson number 2: I need at a minimum a towbar to use as a recovery point.

Along the way we covered a few little tricky obstacles (for me anyway) around trees to avoid bog holes, straddling ruts etc. Finally the climb out to then air up at the end of

Amber Lane, with a stop at Greendale Pub for a quick one before all heading home our own way.

As a first trip out I thoroughly enjoyed it, I was made to feel welcome, given encouragement when I picked a good line and the piece de resistance - being trusted with a short stint up front leading the convoy.

I look forward to the next one but still I have some work to do on the Dmax and of course training!

Thankyou!

Col

Alan Kendall

In 1985 Alan Kendall wanted to share his love of Four Wheel Driving with other likeminded people in the Werribee area. An advert was placed in the Werribee Banner and the Werribee & District 4WD Club was born. 37 years later we have an amazing club full of life long friendships thanks to Alan.

Alan also spent 47 years in the Werribee CFA, holding virtually every position, was founding member of the Werribee Caravanning Club, Werribee TowBars and many more associations.

The Werribee & District 4WD Club Commemorates Alan Kendall, Annually awarding the Alan Kendall Memorial Trophy to the Club Member who contributes most, and best represents the core values of our club Family, Fun, Friendship.

Vale Alan Kendall.
