## President's Report

Welcome again to everyone for this edition of the mag.

I feels like just yesterday that I was logging into zoom for the October catch up. Did you join the meeting via zoom? Do you like having the option to link up if you're not able to make it physically? We will definitely be focusing on driving engagement in the group both online in person. With that in mind we will be launching a new initiative at the November catch up so GET THERE!! In person if you can or online if you can't, we want you to be a part of it so how ever you can is fine by us.

Can you believe it is almost November already?! I honestly don't know where this year has gone, we have some great stuff coming up including our Christmas party at St Anne's Winery, Beachport, Wombat Mudfest and more.

We are focusing as a committee and a club on trying to get as many decent trips happening as we can and yes I am going to sing the same old song of "we need you!" because with out people willing to lead trips (and it should not always fall to the same few) we can't give you what you so overwhelmingly have said that you want. We have a trip coordinator in Trevor Ryan who is only too happy to discuss how to run a trip, we have many knowledgeable crew that will gladly offer to help on the day or in the lead up. Even if you just want to go for an explore and have no idea of which tracks you are going to take, put it out there and I'm sure you will have plenty of takers only too happy for an excuse to lock the hubs in and get out of town.

I'm excited to see half a dozen new members joining in the last 6 weeks or so, I think its really great to see a constant trickle of people finding us and finding something in us that they would like to share. If you are at a meeting or event and notice a new member or a guest visiting then please make the effort to say G'Day and make them feel welcome to the club. Going on trips and making new friends were the highest scoring responses to the survey that Chris put out to see what most mattered to you the club so lets keep those in mind.

Once again I would like to put the call out for contributions for the magazine, you could regale us with a story about a memorable trip, you could tantalize us with your best camp recipe or I'm sure many of us would love to read a rig run down telling us about your pride and joy and what you love most about it or what you've changed from stock.

I look forward to seeing you all at our November meeting and the run into the silly season is certainly upon us and with our December BBQ meeting comes the voting on our main club award the Alan Kendall award. We will have nomination forms available at the next meeting so please have a read through past issues of the mag, talk to past winners and start thinking about who are the worthy candidates for this year.

As always, drive safe and see you soon.

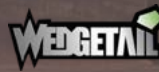

Rowan Burton.

## Alan Kendall

In 1985 Alan Kendall wanted to share his love of Four Wheel Driving with other likeminded people in the Werribee area. An advert was placed in the Werribee Banner and the Werribee & District 4WD Club was born. 37 years later we have an amazing club full of life long friendships thanks to Alan.

Alan also spent 47 years in the Werribee CFA, holding virtually every position, was founding member of the Werribee Caravanning Club, Werribee TowBars and many more associations.

The Werribee & District 4WD Club Commemorates Alan Kendall, Annually awarding the Alan Kendall Memorial Trophy to the Club Member who contributes most, and best represents the core values of our club Family, Fun, Friendship.

**Vale Alan Kendall.**

## What's Coming Up?

### November

#### Wombat - Easy Tracks & BBQ - 13th Nov.

Hosted By Chris Butterworth

Penciling in a sociable, family-friendly trip out to Wombat.

The rough plan is to meet opposite the Greendale pub, then pick our way through some tracks towards Nolans Creek Picnic Area where we'll have a fire, BBQ, and hopefully get the kids to run around and have fun.

Not putting any hard limit on numbers at the moment, but we might split into a couple of groups for driving up the tracks.

Please Register your expression of interest [here](#).

#### Trek Hardware Open Day - 19th Nov.

Our good friends at Trek Hardware in Epping are having their Open Day in November.

They have asked if we can help out with the BBQ again.

Come along, grab a bargain and if you could spare an hour to turn some snags on the Barby it would be greatly appreciated.

#### Christmas Break Up - 26th & 27th Nov.

An overnight stay in one of the paddocks at St Annes Winery - Absolutely no obligation to visit the winery (But you are free to of course).

Come for the night or come for the day.

Santa will be thereof and we'll have the usual spit dinner and a big fire on the night.

More details to follow

#### Basic Training Theory - 29th Nov.

The Werribee club is planning to run a 4X4 Basic training course (Proficiency Training). The theory component Tuesday 29 November 2022, 7pm – 10pm at the Hoppers Crossing social Club, 80-200 Pannam Dr, Hoppers Crossing VIC 3029, preceded by a Pub meal from 6pm. The practical component Saturday 3rd December 2022, departing McDonalds Manor Lakes car park 8am and returning Approx. 5pm. The practical will be held at the Bacchus Marsh quarry.

This training is generally reserved for new members or members who are new to four wheel driving and space will be strictly limited.

Each participant will be given a handbook and must attend the theory before completing the practical component.

## How to run a Club Trip

It's easy to run your own trip, here are the steps to running a great club trip.

- Contact the Trip Co-Ordinator [tripcoordinator@werribee4wdclub.com.au](mailto:tripcoordinator@werribee4wdclub.com.au)
- The Trip Co-Ordinator will forward on required Trip register etc via email – Print out prior to the trip
- Create an Event on Facebook
  - a. Go to Facebook Member's page
  - b. Click Events,
  - c. Click + in top right-hand side,
  - d. In person – Then add date & times,
  - e. Location could be the meeting place, Add description, This should be amount of spots available, Required recovery gear, Required training level or Easy, Medium, hard. Meeting place and time to meet. (Remember to make your meeting time 20 – 30 minutes earlier than departure time to allow filling out Trip Register and group chat about the trip.
  - f. Invite all members.
  - g. Click Create Event.
  - h. Member's will reply with name and car number e.g.: Trev & Wassana Car #1,
  - i. Next car will indicate Name & Name Car #2 and so on.
  - j. Once the trip is full members will reply Reserve Name & Name Car #1 – the reserve car will then slot in if there is a cancellation.

Its recommended to limit the number of Cars to 10, if it becomes popular you can find another trip leader to run two groups.

### **On the Day**

Items for the pre-trip discussion.

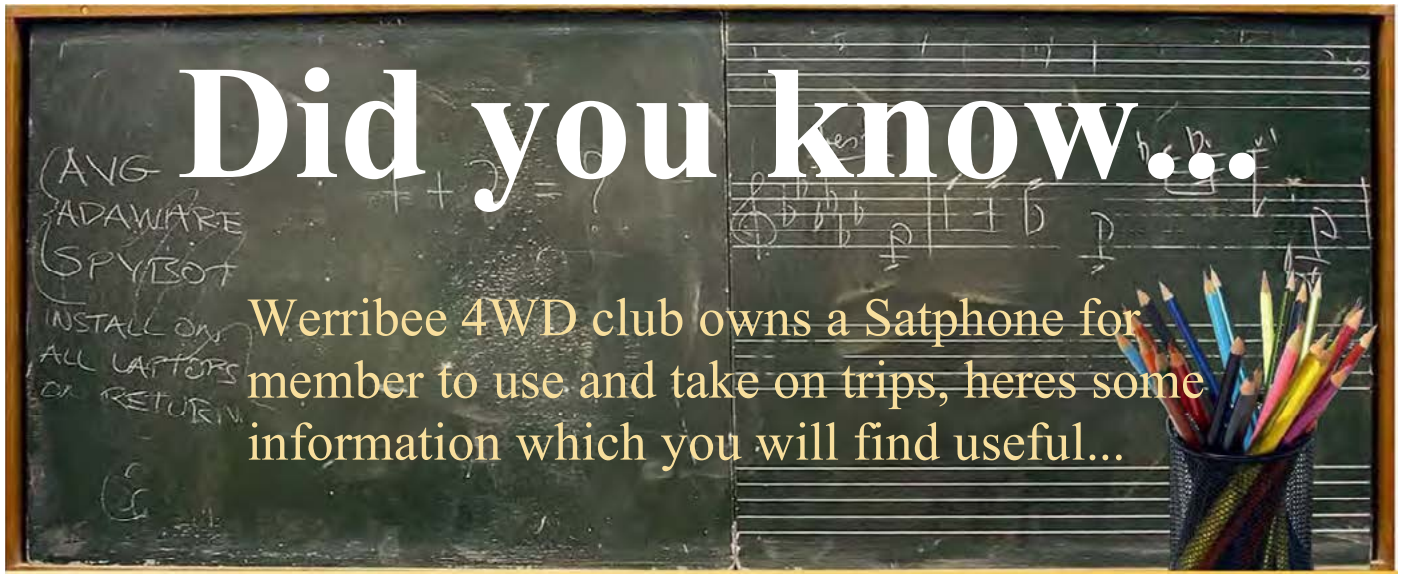

- Introduction of Trip leader, Tail End Charlie, and general introduction of members on the day
- Allocate a member to run the trip report (usually whoever arrives late or first to get a "fine")
- Convoy Procedures.
- It's generally worth putting experienced members between inexperienced members and introduce new members.
- On departure get each car to do a radio check (UHF channel 27), nothing worse than losing someone because they can't hear instructions or direction.

### **After the trip**

- Follow up your trip with a fun post on the Members Facebook page.
- Create a photo album on the Members page for the event and encourage members from the trip to share pictures.
- Submit trip report to the Trip Co-Ordinator.

## Warrnambool Day Trip - Sat 15th Oct.

By Nicole Goulemas.

We ran a trip out to Warrnambool on the 15th October. We had 3 families come with us which included The Padbury's Sweet's and A guest family the Clugston's. We started out at the Ampol Service Center in Werribee at 7.30am. Once everyone arrived and filled out necessary paperwork we set off to our 1st stop that was Meredith Park Camping Grounds which is a spot Mat Padbury wanted to check out. A lovely spot by a lake. We got out stretched our legs, made a toilet stop and had a snack. We stood around talking for a bit then set off again to head to Pertobe Park in Warrnambool for lunch. Along the way we saw so many creeks and rivers flooding. The Mount Emu Creek that runs through Panmure and into the Hopkins River was up. We had crossed this creek twice on the way there.

We arrived at Pertobe Park at around 12pm and had a picnic lunch and a quick play for the kids before heading to our booking at Flagstaff Hill Maritime Museum. The kids were given an activity to do and a sticker on completion. We walked around there for a few hours and fed the ducks who weren't that hungry for us and watched the kids roll down the hill a few times.

# Werribee District 4WD Club

Everyone was getting tired by then so we called it a day, collected the kids' stickers and headed back to Pertobe Park so the kids could play on the flying fox again.

The Clugston's left us at this stage as their boys were very tired. So the rest of us drove out to Tower Hill and went for a drive through the Tower Hill Wildlife Reserve to kill some time before dinner. For anyone who doesn't know, Tower Hill wildlife reserve sits in the crater of a dormant volcano. There was lots of water there too, I have never seen it so full before. I spotted the emu and mentioned it to Anthony who decided to stop to get Jonathan a band aid and the emu came over to greet us. It wasn't shy and walked right up to the car window and looked in to see what we were doing. This was so cool but we also kept the windows up, so we didn't become lunch. We kept driving and saw some more emus but no kangaroos this time. We exited the wildlife reserve and drove around the top of it which I've never seen before.

# Werribee District 4WD Club

We headed back to Rafferty's Tavern for dinner. We were lucky to get a table as we hadn't reserved a spot and they were quite busy but they made room for us and we got a good feed and changed the kids and this was where Ayme and Aaron said their goodbyes as they stayed in Warrnambool for the night. So it was just us and The Padbury's.

We got back in our cars to head to Maits Rest along the Great Ocean Rd to see the glow worms. For those who don't know much about Maits Rest it is a beautiful 800m rain forest walk. It was named after the Otway region's first forestry officer Maitland Bryant, and the track was only opened in 1993. It goes down and loops around and back up to the carpark. It's a stunning walk in the day time. At night it is home to glow worms.

# Werribee District 4WD Club

The drive there was nice at night although you miss the beautiful sights of our coastline. There were a few kangaroos out on the edge of the road and we came across 3 koalas along the road. All were sitting on the edge except one who was in the middle of the road. None were injured and walked off the road after we slowed right down to pass them. We kept driving and got to Maits Rest where we walked in a short distance to see the glow worms but there weren't too many about. They are more commonly spotted warm and wet night but they are around all year. I think we may have needed to go further in. But the boys were freaking out in the dark so much they were shaking so we walked back to the car and had hot jam donuts in the travel buddy before heading home.
